

April 14 Hearings

The following draft minute entries contain the resolutions which the parties have advised the court for hearings scheduled for April 14. These contain tentative rulings which may change if unanticipated events occur in court.

If the ruling portion is completed in the following entries, that means that the court has been advised of an agreed resolution. If the ruling portion is blank, the court has not been advised of any resolution and the matter will come up for hearing.

If you notice any errors in the information listed or you believe that a matter should be treated as resolved or not resolved, please contact Alice Dukes at (337)521-6971 or alice_dukes@lawb.uscourts.gov

It remains the responsibility of debtor's counsel to advise any creditor who has objected to a matter that a hearing is not expected to come up. If debtor's counsel reaches a resolution with the trustee and fails to notify an objecting creditor, counsel may be held liable for any fees and costs associated with counsel traveling to the hearing.

These resolutions will generally be posted after lunch on the day before the hearings.
